

The Spectacular New Stadia Bordeaux is designed by architects Herzog & de Meuron, well known for the 2008 Beijing Olympic Stadium.

BORDEAUX FC

The New Stadia Bordeaux completed early 2015, will host the first match on the last day of the French Championship. The stadium will also host the semi-finals of the 2015 season in rugby union, and 5 matches in UEFA Euro

2016, including one quarter-final. The BOX Seat Models 901, 908 & 990 were chosen to complete the tiers of the venue including the prestigious players seats.
