

FC groningen, 'Pride of the North', selected a range of our seats in their own custom color fresh green.

EUROBORG FC GRONINGEN

The Euroborg, home of FC Groningen, stands as one of the iconic landmarks of Groningen. This distinctive architectural complex, designed by Wiel Arets Architects, captures the essence of Groningen's character. The stadium comprises two tiers and accommodates 22,550

spectators. The BOX Seat 901 Model and upholstered model 990 were installed in a fresh custom green color, matching the color of 'Pride of the North' FC Groningen.
