

'Let the spectators and athletes
shine and give colour to the venue'.

Stadium Architect Santiago Calatrav

D&G STADIUM KAUNAS

Darius and Girėnas stadium is a multi-use stadium in Kaunas, Lithuania. The all-seater stadium holds over 15,000 people. It is the biggest stadium in the Baltic states and the first sports arena to meet UEFA Category 4 standards in Lithuania. The Darius and Girėnas Stadium is

designed by the architect Santiago Calatrava, who chose a custom concrete gray range of 901, 908 and 990 model seats. His vision; 'Let the spectators and athletes shine and give colour to the venue'.
