

The full extent of the BOX Seat range shown at its best, from the robust 901 including the Safe Standing Rails up to the comfortable 990 Upholstered.

BIRMINGHAM CITY FC

The refurbish of st. Andrew's Stadium, home of Birmingham City Football Club offered The BOX Seat a perfect setting to show the full extent of the available range. The general admission section Tilton Road Stand is refurbished with the newest Safe Standing Rails,

combined with our compact folding 901 Polymer that delivers a spacious and safe area for thousands of enthusiastic fans. The Directors Box is fitted with our premium 990 upholstered, including padded armrests for maximal comfort.
